December 12, 1977

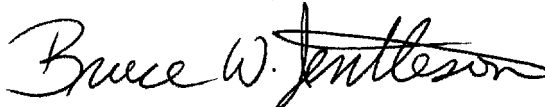

We are very proud that so many educators are interested in Perspectives. Our goal is to be able to provide as many students and teachers as possible with the opportunity to learn from the writings of the government officials and other individuals with expertise in political affairs who have contributed to our book. Again, our thanks for your contribution and for your support of CLOSE UP.

Sincerely,

Close Up Foundation

Margery Kraus
Vice President

Bruce W. Jentleson
Editor, Perspectives
